About Austin's House-

Austin's House provides shelter and care for up to ten children between the ages of birth to 18. The children are placed at Austin's House after being removed from their homes due to abuse or neglect.

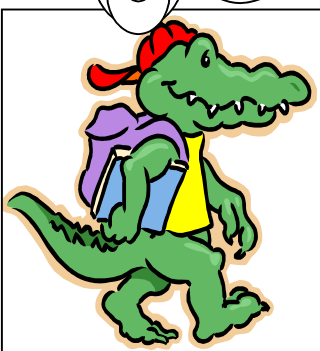

Children are placed at Austin's House from all over rural Northern Nevada.

Under the guidance of the placement agency, Austin's House supports each child's educational, health, and emotional needs.

It's So Easy!!!
